The school mission statement is:

'Always treat others as you would like them to treat you' Matthew 7:12

The ethos of the school is that it is a community where faith is nurtured, excellence in learning is achieved and pupils are inspired to serve others, following the example of Jesus. We ask that all parents applying for a place respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for and be considered for a place.

The local governing body of the school is responsible for administering the policy relating to the admission of pupils to the school. It is guided in that responsibility by the requirements of the law, the advice of the Diocesan Trustee, and its duty to the school and the Catholic community.

The governing body has set its planned admissions number for the school year at 45

In accordance with the provisions of Regulation 49 of the Education (School Government) Regulations 1999, the Governing Body has delegated responsibility for determining admissions to its Admissions Committee.

Pupils with a Statement of Special Educational Needs or an Education, Health and Care Plan naming the school will be admitted according to the regulations and the policy of the Local Authority.

Governors will allocate places to children without any reference to ability, aptitude or ethnic background.

Allocation of Places

1. All applications for a place in the school must be made through Northamptonshire County Council (NCC). Applications can be made on-line at: www.northamptonshire.gov.uk/admissions or by contacting the School Admission Team on 0300 126 1000
2. **Applicants wishing to be considered under the school's faith criteria must also complete a Supplementary Information Form and a Reference Form from their Parish Priest or Religious Leader and return them to the school by Friday 15th January 2021 at 5pm.** . These forms are available at the school. If applying under faith criteria, a copy of the child's baptismal certificate will be required. In the case of Christian and other faith applicants, where baptism has not taken place, a reference from a Minister of Religion will be required including details of religious practice and place of worship.
3. Parents considering making an application are most welcome to make an appointment to visit the school.
4. Once all applications have been received by NCC, a list of children who have applied for a place in the school will be provided to the school.
5. All applicants will be considered at the same time, after the closing date for admissions.

Admission Criteria

Places will be allocated according to the following order of priority:

- 1) Baptised Catholic looked after/previously looked after children.
- 2) Looked after/previously looked after children other than Baptised Catholic looked after children.
- 3) Baptised practising Catholic siblings of children whose siblings will be in attendance at the school at the date of admission of the younger child, as verified by the baptismal certificate and Priest's reference form.

- 4) Baptised practising Catholic children, as verified by the baptismal certificate and Priest's reference form.
- 5) Baptised non-practising Catholic siblings of children whose siblings will be in attendance at the school at the date of admission of the younger child, as verified by the baptismal certificate.
- 6) Baptised non-practising Catholic children, as verified by the baptismal certificate.
- 7) Siblings of other children whose siblings will be in attendance at the date of admission.
- 8) Children of other Christian denominations, as supported by a reference from their Minister of religion.
- 9) Children of other Faiths, as supported by a reference from their Minister of religion.
- 10) All other children.

In the event that any category is over-subscribed priority will be given to applicants in order of geographical proximity to the school (priority being given to the children who live closer to the school). The Governing Body will use Northamptonshire County Council's GIS computer system to determine the distance between the applicants address and the main school entrance. Distance measurements are carried out using a straight line basis. If two or more applications cannot otherwise be separated and there is only one place available, a random allocation process will be used to determine who should be allocated the place.

Waiting List

St. Brendan's Catholic Primary School operates a waiting list where there are more applicants than places available. Applicants will be placed on the waiting list in strict order according to the Admission Criteria. If a place becomes available at the school, places will be allocated according to this criteria.

Late Applications

Any applications received after the closing date will only be considered after all those received on time have been processed. If all places have been filled, parents will be offered the opportunity of placing their child's name on the waiting list and their names will be added in criteria order. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

In-Year Admissions

An in-year admission refers to an application for a school place made during the school year or an application for admission to a school made at the start of the school year for any year group other than the normal year of entry. If the school's published admission number has been reached in a child's year group, we will not be able to offer a place at the school. Parents / carers can ask for their child's name to be added to the waiting lists (see below for more information). Applications for in-year admissions should be made online to the local authority on NCC's website.

The school operates a waiting list for all academic years. Parents can request that a child be placed on this waiting list. Places on this list will be allocated according to the admission criteria. The school will then inform the Local Authority when a place becomes available. The waiting list for each year group will be updated each academic year.

Infant Class Size

The Department for Education Admissions Code (December 2014) states that Key Stage One classes must not contain more than 30 pupils with a single teacher. Additional children may only be admitted under limited exceptional circumstances. These children will remain an 'excepted child' for the time they are in Key Stage One or until the class size returns to the current class size limit.

- a) Children admitted outside the normal admissions round with a statement of SEN or Education, Health and Care Plans specifying the school.
- b) Looked after/previously looked after children outside the normal admission round.
- c) Children admitted after a procedural error in the original application process.
- d) Children moving into the area outside the normal admissions round for whom there is no other available school within reasonable distance.
- e) Children of UK service personnel admitted outside the normal admissions round.
- f) Children whose twin/sibling from a multiple is admitted otherwise than as an excepted pupil.
- g) Children with special educational needs normally taught in a SEN unit attached to school or registered at a special school who attend some infant classes within the mainstream school.

Reception Year Deferred Entry

The school provides for the admission of children in the September following their fourth birthday. Applicants may defer entry to school up until statutory school age i.e. the first day of term following the child's fifth birthday. The application is made in the usual way and then the deferment is requested. The place will then be held until the first day of the spring or summer term. Applicants may also request that their child attend part-time until statutory school age is reached. Entry may not be deferred beyond compulsory school age, or beyond the beginning of the final term of the school year for which the offer was made when the place will cease to be available for the child.

Applications for Admission Out of Normal Age Group

Parents of any child can request a place for their child that is outside of their child's normal age related year group. Parents of a 'summer-born child' (i.e. a child born between 1 April and 31 August) may request that their child is admitted out of their normal age group (e.g. Reception rather than Year 1). In this case the decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking into consideration, for example, the parents' views, any relevant information that parents provide,

such as medical and Educational Psychologists reports, and the Headteacher's views. To request admission to reception year outside of the normal age group, you should contact the Headteacher as early as possible during the application period for that child's date of birth. This will allow the school and admissions authority enough time to make a decision before the closing date.

When informing parents of the decision on the year group their child should be admitted to, the Admissions Committee will set out clearly the reasons for their decision.

Where parents wish for their summer born child to defer entry until the start of Year 1, they must refuse their offered place, which may be offered to a different child, and then reapply through the In-Year process during the last month of reception year. However, if the class moving to Year One is full, they may not gain a place.

Transport Policy

St. Brendan's Catholic Primary School does not operate a transport system and all requests for school transport must be made independently of the school through Northamptonshire County Council.

Admission Appeals

Parents have the right to appeal if the school is unable to offer a place to their child. An independent panel will consider any appeal against non-admission. A copy of the appeal procedure can be obtained in school.
